### **Registration**

Registration will take place in the event office in the Old Merchant Taylors Club House in the rear car park. There will be signs to lead you to registration. Registration will be from **14:00 – 17:00 on Saturday 26<sup>th</sup> May** and will also be available on **Sunday 27<sup>th</sup> May between 05:30 and 07:30**. We strongly urge competitors to register on Saturday afternoon, so that you can orientate, ask questions and focus all your attention on race day to your race and not to last minute queuing.

For those of you doing open water swim sessions on the Saturday morning, you can pick up your race pack after your session.

At registration you will be issued with your race numbers, chip timer, T-Shirt and swim hat. **You will need a race belt or safety pins for your race number** as they are not self-adhesive. Chip timers are to be worn around your left ankle. If you wear the chip timer in any other position, we cannot guarantee that your time will be recorded. BTF members **MUST** bring their BTF membership card with them to registration. Non BTF members will be issued with their day license during registration. Please bring some form of ID with you for registration. You will not be able to collect the race pack of another person without prior consent sent by email to: [admin@herculesevents.com](mailto:admin@herculesevents.com)

### **Parking**

Parking is free for all competitors and spectators on event day and our allocated parking area is in the top field. On entering Merchant Taylors turn left and parking for the event is on the left in the top field which will be clearly signed from the entrance.

When entering or leaving Merchant Taylors please drive very carefully as there may be competitors on the road.

### **Changing rooms and toilets**

There are excellent male and female changing rooms available at the venue with ample hot showers and toilet facilities. There are no lockers in the changing rooms. Do not leave valuables in the changing rooms. **Competitors who do will do so entirely at their own risk as the event organisers have no control over security in the changing areas.**

### **Swim Course**

At 07:45 you must be changed and ready at the lakeside for the pre-race briefing. You will be given time to get into the water and adjust before the race begins.

Your race starts at 08.00am. This is an Open Water Swim Race in a fresh water lake. You will enter the lake using the grass bank at the bottom of the lake.

There will be a mass start. Those who are new to Open Water Swimming are urged to start at the rear or to the sides of the group. The swim course routes can be found here:

When you have completed your swim distance of 750m (Sprint) or 1500m (Standard) you will leave the lake and be directed to the Transition Zone which is approximately 200m distance.

### **Transition zone (TZ)**

On entering the TZ you will proceed to your numbered area. Standard BTF rules apply. No electronic music devices or phones are permitted to be used in the TZ. Your race number must be clearly displayed on your front. Breaches of these rules could lead to time penalties or disqualification. A BTF race official will be present in the TZ.

Follow the directions of the marshals to the "transition out" point. Keep your area clear in the interests of safety and other competitors.

On race day the transition zone will be open from 05:30 for you to set up your transition area.

### **Run Course**

The run is predominantly on grass and the course is fast and flat. The same 5KM run route is used for all events and you will need to ensure that you complete the required amount of loops for your event distance.

**Sprint:** 1 loop

**Standard:** 2 loops

A map of the run route can be found here: [Northwood Run Route – ALL EVENTS](#)

### **Finish**

At the finish you will receive your medal; your chip timer will be removed, and you will be able to view and print your results with your “splits” from the timing van. This will not be your official result as all times have to be checked by the chip timing provider and the race official before the winners are announced.

**Please note that you will be charged £5.00 if you don't return your chip timer to a member of the Hercules Team.**

### **Prize Giving**

There will be a prize giving ceremony, which will be held near the Finish Gantry at approximately 10.00am. Listen out for announcements on the day. There will be trophies for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place Men and 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place women.

Hot showers will be available in the changing rooms so that you can relax and get refreshed, grab something to eat in the clubhouse restaurant and come out for the presentation and to clap other competitors home.

There will be other races taking place, on the morning of your event. Your support for those competitors would be greatly appreciated. Please also show support for your fellow competitors by remaining for the prize giving ceremony that will follow.
